CHURCH AT HOME

Church services and other social gatherings of the Church have been suspended for the time being by the Archbishops.

However, along with many other Churches in the area and throughout the world, it is our intent to try and continue being Church in these days. So we have launched here a new scheme called **“Church at Home,”** This news letter will give you **lots of information** about how to be a caring and supportive community , to care for one another as a Church family and keep in touch even if it is at arm's length.
