I wanted to look at one of the really amazing things that Jesus did

So many people liked to hear what Jesus had to say it meant that lots of people gathered wherever he went. Well one day Thousands had turned up to listen and Jesus spent a long-time preaching. As the day drew on the disciples told Jesus that it was getting late and no one had anything to eat so maybe people needed to home.

But Jesus told them to feed the crowds. The disciples told him that they didn't have enough food or money to feed everyone

Just then a small boy came to them and said, "I have five small loaves of bread and two small fish, but how many people it would feed I don't know but you can have it?"

Jesus smiled at him and said to the disciples, "Ask everyone to sit down."

Soon everyone was seated, and Jesus took the loaves of bread and the fish and gave thanks God for it. Then the disciples gave out the food and everyone could take as much as they wanted.

Everyone ate till they were full and then Jesus told the disciples to collect up what was left in baskets. There were twelve full baskets of food left over

The crowds realised that Jesus was a very special person indeed.

Thanks to the little boy with his small lunch Jesus was able to perform this miracle. Next time you think you're not important Just remember that God thinks your amazing

Prayer

Dear God, thank you for all the gifts you give us and help us to share what we have with others.  
Amen
