

Our Mission is based on our values as a Church

We want to be a Church that:

- follows Jesus
- tries to be authentic, genuine, and generous
- tries to “see each other by name,” not by labels
 - prioritises our relationship with God, valuing prayer and personal discipleship
- seeks to be “one” as a Christian community
- tries to build bridges rather than put up barriers
 - aims to deepen our relationship with Creation

Building Better Community

New Creation Churches

We want to be a Church that meets and lives not just for itself, but for God, for the community and for Creation.

We want to join with others in promoting and sharing God's kingdom values of love and kindness.

Key Objectives we want to achieve as a Church over the next five years:

- Developing Worship
- Encouraging Personal Discipleship and Prayer
- Promoting Fellowship and Kindness by Developing a 'Bigger Table' Project
- Caring for the Planet as part of Eco-Church
- Creating Children and Young People Space
- Major Building Projects and Repairs
- Holding Regular and Special Events
- Reaching out to the New Housing Projects in Both Communities (including Banwell Village)
- Improving Communication and Building on our Online Work as a Church
